Cornerstone Academy reserves the right to deny enrollment or dissolve enrollment at any time if parent or student behavior is deemed inappropriate by the school.

Serious behavior problems will result in suspension or expulsion without refund of remaining tuition.

Submission of this form constitutes a **commitment** to make payment for all weeks in which the student is enrolled.

By applying, parents agree not to hold Cornerstone Evangelical Baptist Church, Cornerstone Academy, the staff, faculty, or agents liable for any accident, illness, or injury that may occur. In addition, in the case of accident, illness, or injury, parents give permission for medical attention to be administered to their child. Parents agree that images of their children may be used for future promotional purposes.

• GENERAL INFORMATION •

During the summer, children lose much of what they have learned during the school year because of the lack of daily classroom interaction. The Elementary Summer Program (ESP) reinforces the knowledge and skills gained during the regular school year by providing an environment that continues the daily academic instruction of the classroom and also allows students to explore their creative side as well. Students will experience the academic and creative aspects of learning that are challenging yet fun.

The students will spend each morning studying the essentials: math, reading, writing, with the purpose of maintaining and improving their skills during the summer to prepare them for greater success during the school year. Students will be tested and assessed.

In the afternoon, the students will spend time learning and applying Biblical principles and participating in elective activities. There will be an emphasis on building each child's character using Biblical principles as he or she learns to work as a responsible citizen within the classroom. Elective activities will vary for each grade level but will include arts and crafts, cooking, sewing, recreation, and music.

Generally, each week will also include a field trip for the students. Past field trips have included: Bay Area Discovery Museum, San Jose Discovery Museum, a Picnic at Coyote Point and the Exploratorium. **All field trips are included in the tuition even DISCOVERY KINGDOM, our last week's big event. So no extra money will be asked for admissions or transportation!**
