General Information

These rigorous, straight-to-business workshops were developed as intensive classes to improve each student's proficiency in reading, writing, and mathematics. The instructional activities will vary from traditional to non-traditional and from group-work to individual assignments.

Students will also participate in Bible Study, DEAR time, and Elective Workshops in the afternoons. DEAR ("Drop Everything and Read") time is a period of forty-five minutes devoted solely to reading. The Bible Study time will teach the students Biblical principles and character qualities to guide them in their day to day lives. The Elective Workshops will include sports, cooking, and other hands-on activities.

Throughout the six week program, field trips will be scheduled that will reinforce the academic concepts as well as be recreational in nature.

** IMPORTANT INFO **
