## Middle School Workshop For Grades 7-8 (in Fall 2024)

### • GENERAL INFORMATION •

Middle School Summer Workshops focus on improving each student's proficiency in reading, writing, and mathematics. The instructional activities vary from traditional to non-traditional and from group work to individual assignments.

Students will also participate in Bible Study, DEAR ("Drop Everything and Read") time, and Elective Workshops in the afternoons. DEAR time is a thirty minute period devoted solely to reading. The Bible Study time will teach the students Biblical principles and character qualities to guide them in their day to day lives. The Elective Workshops will include sports, cooking, and other hands-on activities.

Throughout the six-week program, one or two field trips and/or special activities will be scheduled. The first week (Mon-Sat) will be an offsite "residence camp" sponsored by the church.
