 - We look forward to partnering with you in the new school year.

COVID Protocols for 2023-2024

We anticipate following current CDPH masking guidelines for schools on the first day of school. The current guideline is that masking is strongly recommended indoors. We will continue to be vigilant on the prevention of infection in the school through having proper ventilation, practicing good hand hygiene, and mandating sick children to stay at home. We will keep you updated as the first day gets closer.

God bless you all this summer.

On behalf of the administration and staff,

Mr. Derrick Wong
Principal

*He must become greater; I must become less.
John 3:30 (NIV)*
