We will continue to follow SFDPH COVID-19 guidelines for the next school year. We will base our indoor mask guidelines on the current infection rates in August 2022, but at the very least, masks can be optionally worn to school even if there is no mask recommendation. We will continue to be vigilant on the prevention of infection in the school through having proper ventilation, practicing good hand hygiene, and mandating sick children to stay at home. We will keep you updated as the first day gets closer. I am excited that some pre-pandemic school events like Christmas programs and Sunday sings will be returning. Some things may not be entirely the same but I am encouraged by all the cooperation our families have shown these past two years. God bless you all this summer.

On behalf of the administration and staff,

Mr. Derrick Wong  
Principal

*Rejoice always, pray without ceasing, give thanks in all circumstances;  
for this is the will of God in Christ Jesus for you.*
